Assessment Notes

Ageas Insurance Motor Engineers Report.

ROADWORTHY: NO

RECOVERY & STORAGE: N/A.

Vehicle has sustained a moderate impact to the rear

I have assessed the damage and repair costs are estimated at £4605.00 subject to stripping
This renders the vehicle a total loss.

Displayed mileage is higher than average for the year.

Very good condition for year.

The pre-accident market value is considered to be £2250.00.
Value based on Glasses Retail less deduction for mileage.
No comparable bikes found for sale.

This has been assessed using recognised guides and where available, internet research.
It reflects the above comments for vehicle condition and mileage.

The above valuation is subject to mileage being confirmed (where not available) and the relevant documentation in order.

The ABI salvage category recommended is Category: N

There is no issue with salvage being retained by the owner.

The owner has expressed an interest in retaining salvage.

Declaration

I understand that my overriding duty is to the court on matters that are within my field of expertise. I also understand that this duty overrides any obligation to Ageas Insurance Ltd.

I confirm that I have complied with that duty and will continue to do so and that I am aware of the requirements set out

in Part 35 of the Civil Procedure Rules and the accompanying Practice Direction, the Protocol for Instruction of Experts to give evidence in Civil Claims and the relevant Pre- action Practice Direction/Protocol.
