

Transparent Maintenance

Check List 03/30/2016

Scrambler Icon - 2016

The **1,000 Km and 6 Months** service is the **Oil Service** .

The estimated service time is **1 hour and 12 minutes** and includes the following maintenance checks:

- ☐ Reading of the error memory with DDS and check of Software version update on control units
- ☐ Check the presence of any technical updates and recall campaigns
- ☐ Change engine oil and filter
- ☐ Clean engine oil intake filter
- ☐ Check brake fluid level
- ☐ Check pad wear and brake discs. Change, if necessary
- ☐ Check the proper tightening of brake calliper bolts and brake disc flange screws
- ☐ Check front and rear wheel nuts tightening
- ☐ Check the proper tightening of final drive front and rear sprocket nuts
- ☐ Check the drive chain tension and lubrication
- ☐ Visual check of front fork and rear shock absorber seals
- ☐ Check the freedom of movement of the side and central stand (if installed)
- ☐ Check rubbing points, clearance and freedom of movement of hoses and electric wiring on view
- ☐ Lubricate the levers at the handlebar and pedal controls
- ☐ Check tyre pressure and wear
- ☐ Check the battery charge level
- ☐ Check the operation of the safety electrical devices (side stand sensor, front and rear brake switches, engine stop switch, gear/neutral sensor)
- ☐ Check lighting, turn indicators, horn and controls
- ☐ Reset the Service indication through the DDS 2.0
- ☐ Road test of motorcycle, testing the safety devices (ex. ABS and DTC), Cruise Control device, electric fans and idling
- ☐ Softly clean of the motorcycle
- ☐ Fill out that the service was performed in on-board documentation (Service Booklet)

Times do not include any additional operation resulting from the failure to respect the set maintenance schedule, from vehicle usage conditions or from the presence of non-original spare parts. Always check your bike's service book to see what maintenance has already been carried out during previous servicing. All costs relating to maintenance servicing (labour and materials), including the first 1,000 kilometre/600 mile service, are borne by the Client. Carrying out the servicing in accordance with the terms indicated here below is essential for the retention of the guarantee.
